

## Permission Slip

Playing on the Good Samaritan Property  
5730 Grove St Edina, MN 55436

I give the Creekside staff permission to take my child(ren) out to play on the church grounds in areas that are not fenced in. I understand that staff ratios will stay the same as in the classroom and children will be supervised at all times. Visual reminders will be pointed out to help children understand the play area boundaries each time they go outside to play.

I also agree to stay next to my child(ren) before and after class and acknowledge that when my child is released from class, it becomes the responsibility of myself or the adult picking up my child to stay close to and always monitor my child(ren) when on Good Samaritan property.

Thank you!
